

Chief T.A Akinyele was much more than my brother – in-law, he was my father. He had fatherly love for everyone in my family and he impacted many lives. What crowned his character was that he loved the Lord and he was Christ like, when Jesus was on earth, he went about doing good. Chief T.A. AKINYELE was just wonderful. I never saw him angry he never uttered unkind word to anybody in my presence. He had the ministry of help. He was always solving other people's problems he was a good counsellor. He was peace loving.

He was so loving I cannot forget the noble role he played in my life. He was held in high esteem in the society and yet he was humble and generous. He usually called me Aunty Bola, he touched many lives including mine. I cannot forget the fatherly role he played in the journey of my life and words are inadequate to describe the love he had for our family. His love for my sister rubbed off on everyone of us in Ladipo family.

His love for my sister was like that of Romeo and Juliet, it was demonstrated when my sister was sick, it was glaring that when she suffered he too suffered but God was so faithful he poured his healing virtue on my sister so that they can be together for a while before he called chief T.A Akinyele to himself to enable them to fulfil destiny that Chief Akinyele should first be with the Lord. This was not by accident it was by divine arrangement. Hallelujah! Chief T.A Akinyele took care of my sister both in health and sickness.

He was very accommodating and caring. He took adequate care of my mother at her old age till she went to be with the Lord.

Chief T.A Akinyele was kind hearted and supportive. I cannot forget how he and my sister supported me and accommodated me and my children when I was in distress.

May his soul rest in peace in Jesus Name

It is my prayer that the Lord will anoint my sister with oil of gladness. He will keep strengthening you and his mighty hands will lift you up and sustain you to the end in Jesus Mighty name

MRS ADEBOLA ADEBAYO

I am grateful to God because I had a wonderful step-father-inlaw and a wonderful wife coupled with a lovely family-inlaw.

Unknown to me I had God on my side.

Chief was as far as I am concerned a man of internationally recognized integrity.

May his soul rest in perfect peace IJMN AMEN.

Grandma, I thank God for your life and pray him to grant you and all of us, the fortitude to bare the loss of our dear Chief T.A Akinyele in Jesus Name.
